

Festival of Swimming Results 2021

The leaderboards from the recent Festival of Swimming have now been published – with over 6,700 swimmers having competed at the recent Festival of Swimming meets; we have truly kickstarted the return to racing for our prospective Olympians and Paralympians of the future.

Leaderboards showing all swims for age groups from 13 years upwards, for both male and female, have now been published on the swimming results.org website.
